

Automatic stand with the polishing compact unit WP-Ex 3000 II

MADE IN GERMANY

Wassermann is a medium-sized, owner-operated company with head office in Hamburg. We design and produce high-quality technical devices in Germany. Our main users are dental laboratories, dental clinics and various industrial areas worldwide.

Why a Wassermann product?

Wassermann products are manufactured from high-quality materials and the proportion of plastics used is intentionally kept as low as possible. Our devices are known for their suitability for daily use, functionality and longevity. As a result, the users place high levels of trust in the Wassermann brand. We feel it is our duty to support our customers on a daily basis when it comes to safety, service and productivity. Technological perfection, optimum quality and especially sustainability are the benchmarks we set. Thanks to the combination of these values, the family-owned company, since its establishment in 1927, has gained worldwide recognition as a manufacturer of high-quality products.

Automatic Stand

The **automatic stand** by Wassermann offers a robust and ergonomic working surface of high quality that is adjustable in height to suit individual requirements. It makes the workplace much healthier and more active by allowing to work while standing and sitting alternately. Both, health and efficiency will profit from this investment. Ergonomics at the workplace promotes concentrated, relaxed and productive work. The more varied the workplace design, the better it is for the body and performance of the operator.

Plate made of steel with robust plastic powder coating,
W x D: 675 x 560 mm,
suitable for almost any equipment on the market

Adjustable from 740–1090 mm, allows to change between standing and sitting at work

Easy to operate using the foot switch

With a maximum lifting capacity of 120 kg

Major Features

- Automatic stand for ergonomically optimised working
- The user can adjust it to any body size in seconds
- Equipped as standard with overload protection of motor

Automatic stand	Item no. 146170
Voltage	220–240 V / 50/60 Hz
Power consumption	3.1 A
Output	660 W
W x min./max. H x D	675 x 740/1090 x 560 mm
Weight	39.7 kg
Stroke	350 mm
Max. load	1200 N (axial) / 120 kg
Lifting speed	approx. 20 mm / sec.
