

MADE IN GERMANY

Wassermann is a medium-sized, owner-operated company with head office in Hamburg. We design and produce high-quality technical devices in Germany. Our main users are dental laboratories, dental clinics and various industrial areas worldwide.

Why a Wassermann product?

Wassermann products are manufactured from high-quality materials and the proportion of plastics used is intentionally kept as low as possible. Our devices are known for their suitability for daily use, functionality and longevity. As a result, the users place high levels of trust in the Wassermann brand. We feel it is our duty to support our customers on a daily basis when it comes to safety, service and productivity. Technological perfection, optimum quality and especially sustainability are the benchmarks we set. Thanks to the combination of these values, the family-owned company, since its establishment in 1927, has gained worldwide recognition as a manufacturer of high-quality products.

Suction Unit **Timobil**

Mobile Suction Table with Motor Handpiece

With the **Timobil** you have a mobile suction table with robust and ergonomic motor handpiece at your disposal which leaves absolutely nothing to be desired, neither at the dentist's office nor at the dental laboratory: Because of the automatic activator switch the Timobil can be conveniently controlled by the ergonomic and vibration-free motor handpiece.

Detachable safety screen
in front of the work area

Suction unit can be started by the motor handpiece
with high rotation accuracy and brushless motor

Mobile, maintenance-free and
almost free from wear suction unit
for the dentist's office and the dental laboratory,
long durability because of the brushless motor

Major Features

- Works with the low-pressure principle: No heat eduction, no cooling of hands, high suction volume, virtually noiseless operation
- High protection because of run-on device of suction unit
- High quality filterbag, easily to be changed
- The extractor hood with or without illumination (available as accessories) can be retrofitted
- **Included in delivery:**
Motor handpiece
Rest for handpiece
